

Corporate governance: a driver for growth, edition no. 30 of Proparco's magazine

Jean-Claude Chesnais Governance project manager – *PROPARCO*
Marie Garcin Investment Officer – *PROPARCO*

November 20 2018

Marie Garcin and Jean-Claude Chesnais, Investment Officers at PROPARCO and coordinators of this edition, present us the key challenges and lessons learned from this issue.

The implementation of good governance practices plays a major role in ensuring the growth of a company. In its latest issue, PROPARCO's Private Sector & Development magazine addresses this question from different perspectives (succession, role of DFIs, impacts on the value of a company, etc.), by giving private sector players, investors, researchers and lawyers the opportunity to voice their opinions.
